## TEEN AND PARENT PLEDGE TO END DISTRACTED DRIVING

Print this document and then sit down with your teen driver to discuss distracted driving.

Talk about putting the phone down and leaving it down.

Talk about how there is nothing as important as getting there alive.

Be willing to set an example and to be accountable to each other.

Take the vow and sign, witness and date the document with each other.

Put this pledge on the fridge or bulletin board to remind you to keep your promise to

**NOT TEXT AND DRIVE!**

### PARENT(S)

I, \_\_\_\_\_, do pledge to not text and drive and to not engage in distracted driving behavior. I pledge to not check notifications, emails, or texts while I am driving. I promise to not text you when I know that you are driving. I pledge to check in when I get where I am going. I take responsibility for my actions while behind the wheel. I know that I serve as your example and I will be accountable to you to abide by this agreement. #IAMProject11
